Over the past few years, the Junior section of Bradford and Bingley Rugby Club, have held a fundraising Halloween spectacular.

This has been done with the great help of Renny Mulhearn and his fun fair.

From the initial phone call giving Renny the date and time to the actual day itself, everything has run smoothly (the only thing we cant plan for is the weather!!!)

Renny is a very polite gentleman, who is very easy to work with, giving help, ideas and suggestions where necessary.

He gets all the flyer's and posters printed for us, and even gives us a contribution to our fundraising.

I would recommend Renny and his fun fair to anyone.
