Dear Rennie

**Royal British Legion 90<sup>th</sup> Anniversary/Picnic in the Park  
Astley Park, Chorley, 15<sup>th</sup> May 2011**

On behalf of the organising committee for the above event, I would like to thank you for all your help and that of your fellow Showmen last Sunday. I know we were all badly effected by the weather and the event was perhaps, not as successful as we would have wished from a financial point of view.

Organisationally, however, I do believe all went reasonably well and thank you for providing all the licence, inspection and Health & Safety documents required by the Council and for providing rides and stalls exactly as we had previously agreed. Everything arrived exactly on time, set up ready to begin before the designated start time and all done in a very professional manner. Equally, your area was left clean and tidy on departure.

I'm not sure as yet if we will run such a large event again in the future, but should we do so, we would have no hesitation in inviting you to be part of it. Once again, our thanks for all your help.

Yours sincerely,

*John Hardiman*
