Dear Renny,

**RE: Eastwood Fun Fest 2011, Saturday, 3rd September 2011, Rotherham, South Yorkshire.**

On behalf of the planning group for Fun Fest, I would like say thank you for your hard work at the event.

From the moment I first spoke to you on the telephone to you coming to the event, you have been nothing but courteous and professional throughout. You showed willingness to work with us and happily provided your insurance documents etc so I could fulfil my requirements of booking the venue without any second thoughts therefore making my job that little bit easier.

You made an impression on us all and you will always be our first point of contact for future events. And we will be recommending you to others wherever possible.

Here's hoping to a long and mutual beneficial relationship.

Regards,  
John Porter (Junior)
