Dear Renny,

I have been employed by High Peak Borough Council for the past 12 year and have experience of liaising with Glossop Arts and Leisure Association regarding Glossop Carnival and the Victorian Week end for the past 5-6 years. Although I have not been directly involved with organising these event I have dealt with you on a professional basis in terms of checking insurance, test certificates and other documentation and have always found these to be up to date and in order.

On a personal level I have always found you very easy to get on with and willing to listen to others point of view. I have never been aware of any accidents involving your fair ground equipment whilst on High Peak Borough Council land and would be happy for organisation such as GALA to continue to invite your family to events on High Peak BC land.

Regards,
Philip
