

To Renny and his team

We would like to take the opportunity to thank Renny and his team for their involvement in our SANDs charity family fun day, September 2014. With their involvement our event was a success and we received positive feedback from the general public who attended the event. Would definitely recommend this company to people and we were quite touched at the generosity of the company in regards to donating some of their profits to the Charity bucket after the event. The team were easy/friendly to deal with and we would certainly like to use them again at any future events.

Regards,
