Dear Renny,

OPEN DAY 13 September 2009

Just to thank you for providing the Fun House, Trampolines & Ride for our Open Day last Sunday, which was a great success despite the weather.

We managed to raise £450 on the day and the main fund-raising was due to your attractions, which were in constant use throughout the day.

This will be an annual event at the playing field and will in all likelihood be held on the same week-end next year so I will contact you nearer to the time or if we plan any events before then.

Yours sincerely,

Richard Carter
Chairman
