

I worked closely with Renny Mulhearn and his colleagues on the Accommodation Assessment for Travelling Showpeople in Doncaster. This was an important study for the both Doncaster Council and local Showpeople. Renny was professional and committed throughout and his advice and guidance, backed up with knowledge and enthusiasm, was essential to the Study. The success of the study in obtaining accurate and in-depth information is in large part down to Renny and his colleagues and I hope to be able to work with Renny again in the future.
